

Immedica UK methodological note 2023 for services provided by the public including patients and journalists

This document summarises the methodology used in preparing Immedica Pharma UK disclosure report on Transfers of Value (ToV) provided by the public including patients and journalists, in accordance with the ABPI Code of Practice for 2023 activities.

Reporting Period: Covers a full calendar year.

Time of Disclosure: In line with ABPI/IPHA requirements, disclosures must be made within 6 months after the end of the relevant Reporting Period and the information disclosed must remain in the public domain for a minimum of 3 years after the time such information is first disclosed.

ToVs are handled according to the cash basis principle, hence a specific ToV is as a general rule registered when the payment is made.

Transfer of Value (ToV): Financial support and/or significant indirect/non-financial support provided by Immedica Pharma to the public including patients and journalists:

For contracted services the total amount paid per patient over the Reporting Period.

A description of the nature of the support or services provided that is sufficiently complete to enable the average reader to form an understanding of the nature of the support or the arrangement without the necessity to divulge confidential information.

Publication

All interactions with patient organisations for Immedica UK are made public on the Immedica global website.
